### Peter And The Wolf – Sergei Prokofiev YOUNG PERSON'S GUIDE TO THE ORCHESTRA — Benjamin Britten the Royal Philharmonic Orchestra, Andre Previn Conducting

*Peter and the Wolf* has been entertaining and teaching children since 1936. We love the combination of André Previn's narration and Prokofiev's unique music in this recording of the original version. Also featured is Benjamin Britten's *Young Person's Guide to the Orchestra*, which gives kids a chance to hear all the instruments they learned about from Peter and his friends. Without narration, the lively music for full symphony orchestra showcases each group of instruments in turn, making a delightful learning experience for the whole family. 55 mins. (AGES 4-ADULT)
